G.E. Schultz bager.

Dear Sir. -

I am dropping you a word
or two of the boys that left Salinas
Mar. 16. 1918.

From the beginning of our trip
till the present we have had one big
time. All along the way from Salinas
to Camp Lewis it was one continual roar
of fun. Since our arrival here we
have been the leading spirits of all
new comers.

Last Sunday our company won the
field meet in which several Companies
competed and most of the prizes were
won by the Salinas boys or Monterey
Co. boys.

The treatment here could not
be better we have fine quarters, beds
fine meals, and best of all a fine set
of officers to train us.

You asked me to let you know

if there was anything the pupils of
the schools of Monterey Co could do.

The government furnishes us with
everything but handkerchiefs and I
have noticed among the boys a number
of shades of them some becoming that
way possibly by the lack of another to
take its place.

So if you wish to supply a few I
shall see that they are given to the boys
in need of some.

An olive green seems to be the
prevailing color of handkerchiefs and
which would be preferable.

Thanking you for your offer
and best wishes from our company

I remain
Carl M. Daniels
